

With our new video "Fire" (<https://www.youtube.com/watch?v=g9cvHYOI6vo>), we would like to invite our former band member Ayo to visit us!

Since the release of her first CD "Joyful" (2006) we are following Ayo's career very carefully and have repeatedly played songs of her in our program. We have been to many of her concerts and have always met her backstage. On her last visit to Cologne she wrote for us: "I'll visit you soon, when you're ready ...!" With the video "Fire" we want to show Ayo that we are ready for her visit! And that she is always welcome at La Taste and in our children's village!

We have edited the lyrics and the instrumental parts of the song "Fire" with the help of some friends:

[Jermaine Dobbins](#): lyrics and rap

[Mando](#): lyrics, rap and beatboxing

[Andrew "The Bullet" Lauer](#): bass and recording

[La Taste](#): vocals and instruments

[René Pütz](#): guitar, recording and musicproduction

[47Design Werbeagentur](#)/Dennis Zimmer and team: videoproduction
